----LEPROSY-

and consequently incurable. It is impossible to describe her sufferings. Her body from the crown of
her head to the soles of her feet was a mass of decay,
masses of feeth rotting off and leaving great cavities.
Her fingers festered and three or four mails dropped
off at one time. Her limbs contracted by the fearful
ulceration, and for several years she did not leave
her bed. Her weight was reduced from 125 to 60 lbs.
Perhaps some faint idea of her condition can be
cleaned from the fact that three pounds of Cosmoline or outment were used per week in drewsing her
sores. Finally the play-icians acknowledged their
defeat by this Black Wolf, and commended the sufferer to her all-wise Creator.

defeat by this Black Wolf, and commended the sufferer to her all-wee Creator.

Her husband hearing wonderful reports of the use of Swirr's SFECIRIC (S. S. ), prevailed on her to fix it as a last resort. She began its we under protest, but soon found that her system was being releved of the poison, as the sores assumed a red and healthy color, as though the bised was becoming pure and active. Mrs. Bailey continued the S. S. S. until last February; every sere was healed; she discarded chair and crutches, and was for the first time in twelve years a well woman. Her husband, Mr. C. A. Bailey, is in business at 17-3 Blackstone Street, Boston, and will take pleasure in giving the details uniform and in less than a week it had no end of admirers, and in less than a week it had be. OUTWARD OR HOMEWARD. Waiting fair winds or a turn of the tide: Nothing they fret, though they do not get out on the occan wide. O, wild hearts that yearn to be free.

Look and lea a from the ships of the sea! Bravely the ships in the tempest toward Buffet the waves till the sea by crossed. Not in despair of the haven fair. Though winds blow backward and leagues be lest Though winds show the exterior and reason.

O, weary hearts that yearn for sleep.

Look and learn from the slaps of the deep!

—F. W. Bourdillon.

GUIDO'S TARGET.

I had accompanied Dr. Notrot through the great gardens surrounding his private insane asylum, and was proceeding toward the entrance of his private study. The celebrated alienist was telling me the history of one of his most remarkable casesa patient we had just passed on our way through the grounds, and who had saluted

doctor, "is to believe himself a famous personage. He thinks he is the son of beaven the soversion of the whole celestial empire, and there is not a day he does not hand the keeper enough of dispatches. confidential letters and diplomatic instruc-tions for his ambassador, Marquis Tseng. to make a whole volume." Just at that moment a sharp report

rang out a few steps away. I caught the doctor's arm and exclaimed: may have done something terrible.

Dr. Noirot only smiled.
"No," he said; "don't be afraid. This

Attest: J. S Shewalter, City Clerk, 52am

A Resolution

Declaring it necessary to make a public improvement by creeting a market house and city offices, and procuring the necessary real estate as a site therefor and approaches thereto, and for market space.

Resolved, by the city council of the city Springfield, Ohio. That it is necessary, and that it is intended to make a public improvement by creeting a market house and city offices and procuring the necessary real estate as a site therefor, and approaches thereto, for market space.

as a site therefor, and approaches thereto, for market space.

The necessary real estate to be procured for said purposes, is situated in the block bounded by Market space, it is, content and is bounded and described as follows: On the east, by the west line of Market space; on the north, by a line parallel to, and eighty-four and a half feet south of the south line of High street, on the west, by the east line of Center street, and on the south by a line parallel to, and one hundred and fifty feet south of the north boundary line above described.

Said market house and city offices to be creeted in the center of said real estate, and so as to leave two strips of said real estate. Said was to leave two strips of said real estate fifty feet in width, and extending from Market space to Center street, one on the north and the other on the south side of said Market house and city offices, for market space.

separating of alleys.

Sec. 3. This ordinance shall take effect from and after its legal publication.

Passed by council March 1th, 1887.

Attest. W. S. THOMAS.

President. Attest. J. S. Shewalter, City Clerk.

bullet mark anywhere else."
"It is marvelous," I said. "But what

hind us rang out the pistol shots at regu-. . . . "This unfortunate man," said my host, one Guido Ventura. Whether he is an Italian, a Spaniard or an American, I

sends us these virtuosos in the art of using the revolver or the rifle. And besides it was from America that he came directly to France. You might have seen him yourself last year at the Alcazar d'Autonne, where he gave four or five exhibitions; and would have drawn all Paris to see him, if his series of perform ances had not been suddenly interrupted by circumstances which I am about to relate. But I must begin at the beginning There is quite a romance connected with the affair—and one which I am certainly the only person who knows, because dur ing the six months this man has been with

ments of delirium. So I tell it to you just as I believe it to be-feeling sure my pen- of spirits. etration is not at fault. "When Guido Ventura came to Paris he had with him a young woman known as Miss Arabella. She was a splendid creature of about 20, with the face of a goddess and the body of a statue. Any one could observe and admire that figure of hers at the evening performances in the Alcazar, where she appeared in a close fit-ting page's costume—pearl gray tights,

exhibitions. She looked simply exquisite out her robust and elegant beauty to the ometimes holding a card in her hand for him to cut with a pistol ball; sometimes holding a pipe in her mouth, of which he

"What relation did the wonderful beauty bear to him? Was she his wife? It was probable, but not certain. The ortance, because the couple had come from a country where a marriage may be can compare with it, and it remedies nerv-celebrated in one state and dissolved in another. What was certain was that der inactivity, and other inorganic ailments. Guido Ventura worshiped that woman as

'And every evening she posed calmly before the muzzle of the pistol, her veivet and companion. He needs no stable, and gaze quelling the anger of her lover, as has a happy faculty of enjoying whatever the eye of a lion tamer masters a wild he has to eat. A dun colored "sheltie" of "One evening, only about a week after little lady could seat herself upon its back the names of Guido Ventura and Arabella without lifting her feet from the ground had first appeared in great letters upon They are favorites for the saddle, and
